

CDL Driver/Operator Rockport, IN

The Industrial Cleaning Group is seeking CDL Driver/Operator based out of our Rockport, IN office. You will be responsible for driving and operating our commercial vehicles. You will be responsible for driving flat-trucks, box trucks, and tanker trucks in and around Steel Mills, Power Plants, Paper Mills, and other Industrial settings. You will have varying work-hours and have the opportunity to travel to other locations outside of Indiana.

Requirements:

- High School Diploma with specialization in industrial or vocational trades preferred.
- Some High School Education acceptable.
- Valid Drivers License with CDL (A or B) and be within current limits for MPW Driver Points.
- Tanker Endorsement on CDL License.
- Experience performing manual labor in an outside setting.
- 2-3 years of “hands on” experience with tools or heavy equipment.

Responsibilities:

- Operate MPW vehicle (flatbed truck and/or tanker truck) to/from/around worksites.
- Comply with DOT Regulations and MPW Health and Safety Policies and Procedures.
- Operate hydraulic pumps/lifts, high pressure nozzles, and filtration system
- Set up worksite including water-blast hose or vacuum hose.
- Problem-solve vehicle and motor maintenance issues on worksites
- Use equipment such as, water blast gun, water lance, dry vacuum hose (6” and 8”), wet vacuum hose (6” and 8”), shovels and picks, when needed.
- Cleans equipment and vehicle prior to return to MPW branch location.
- Performs other duties as assigned by immediate supervisor.
- This position may be called in at various hours and days of the week 24/7, due to the emergency response nature of the business.
- Several long and non-traditional hours are required as a regular part of this position.
- Perform various technician duties – sweep, shovel, vacuum, water-blast.
