## **Technician I Rockport, IN**

The Industrial Cleaning Group is seeking Technicians based out of our Rockport, IN office. You will be responsible for industrial vacuuming, high pressure water blasting, sweeping, shoveling in Steel Mills, Power Plants, Paper Mills, and other Industrial settings. You will have varying work-hours and have the opportunity to travel to other locations outside of Indiana.

### **Requirements:**

- Performing manual labor in an outside industrial setting
- High School Diploma or GED
- Valid Drivers License
- Safety Conscious Mentality

### **Responsibilities:**

- Demonstrate initiative in execution of assigned tasks.
- Call in each day to check the work schedule for the next day or next few days.
- Arrive at branch or jobsite on time, in uniform, properly groomed, mentally alert and physically able to work.
- Operate MPW vehicle (car or van).
- Set up jobsite including water blast hose, or vacuum hose.
- Use equipment such as, water blast gun, water lance, dry vacuum hose (6"and 8"), wet vacuum hose (6" and 8"), shovels and picks.
- Strictly adhere to MPW Health and Safety Policies and Procedures.
- Cleans equipment prior to return to MPW branch location.
- Performs other duties as assigned by immediate supervisor.
- Called in at various hours and days of the week 24/7, due to the emergency response nature of the business.
- Work in a variety of states for days or weeks, with daily timeframes that could exceed the typical 8-hour shift.
